Dear experts and friends

We are delighted to announce that the Taiwan Society of Clinical Cytology (TSCC) and the Taiwan Society of Pathology (TSP) are holding an **International Cytopathology Symposium in Taipei this summer, from June 6 to 7, 2020.**

We have invited two outstanding speakers, Dr. William C. Faquin from Massachusetts General Hospital, USA and Dr. Esther Diana Rossi from the Catholic University of Sacred Heart, Italy.

The program includes a half-day “Multi-head Microscopic and Live Video Tutorial” and a whole-day “Cytopathology Symposium”. The topics will cover practical issues on thyroid fine needle aspirates (FNA), and salivary gland FNA. **The registration fee can be paid on-site**.

We are delighted to invite you and friends worldwide to join this educational event. If you are interested in participating, please contact us by email: tscc.cyto@gmail.com. We will mail the link for international registration to you.

Please see the detailed program below.

Part 1 (June 6th): Multi-head Microscopic and Live Video Tutorial (Payment on-site: TWD$2,000 or USD$70)
Limited for only 10 international attendees!!!
